### **Silencio**

To see the performance of "Silencio" is an aesthetic and sensual experience. This balancing act on a white cube is no ordinary handstand routine, it is a work of art, a moving sculpture in which the human form is transformed by flowing veils. The fascinating interplay of music and movement was choreographed by Valentin Gneouchev.

"Silencio" was presented in the Theatrevariete Wintergarten Berlin, Roncalli's Apollo Düsseldorf, Friedrichsbau Variete Stuttgart, as well in the Weihnachtscircusfestival Freiburg, the Circus Princessan Festival in Stockholm, Sweden and Teatro ZinZanni in San Francisco. This act was decorated with the Silver Medal at the Festival "Cirque de Demain 2001" in Paris.

### Technical Requirements

**Length of act:** 5:30 min.

**Set up time:** 30 min. with sound and light operator.

**Cube:** When set up, the cube measures 1 m x 1 m x 1 m. Time required to set it up: 15min. Weight: 25kg. The cube can be carried on stage very easily by two people. Assistance is needed to run the electric fan.

**Transport:** By car. At longer destinations with airplane (excess baggage of 50kg for cube inside transport box (100x60x40 cm) to be paid by venue).

**Stage:** Stage size should be big enough for the cube. 4m height clearance.

**Lighting:** System to be provided by venue. Colours: Blue, pink, white (amber from back if possible).

**Sound:** PA System to be provided by venue. Soundtrack on CD or Mini Disc.

**Electricity:** 220 V . 20m cable provided by artist.

If any of these requirements cannot be met, it may still be possible for the artist to perform. Please contact her to discuss the options. Given her experience and a will to improvise, difficult situations can be managed.
